Hi – attached is a redline of the version of the amendment that Mike sent last for our June 30 negotiations. Note that to make it easier to see the edits, I accepted all of Mike's edits and then edited from there. Also note edits I made to paragraphs 42 g and h beyond what I sent to the technical folks earlier today. Please review this version, NOT the one with the work only provisions sent earlier today.

I can also do a comparison with the draft we initially sent to the companies, but in that comparison I could not show the difference between which changes were made by us, and which by Mike. I'm around until about 9:15/9:30 central tomorrow, then out for a mediation. Andy is also in all-day arbitration tomorrow. Otherwise, I'll send a meeting invite for a meeting early Wed morning and we can talk then. Thanks-Jacquie
